OFFICE MEMORANDUM

Sub: OM No.38/37/08-P&PW (A) dated 6th April, 2016 of DP&PW: Delinking of revised pension from qualifying service of 33 years.

Attention is invited to previously issued OMs to Ministries/Departments/AGs/UTs by CPAO on the subject mentioned above. It is observed that progress in disposal of such cases has declined in spite of repeated requests for early settlement of pending cases and out of 89,481 cases, 25,692 cases are still pending for revision. To avoid delay in payment of revised pension and arrear to the pensioners, special drive is required to clear these cases

It is requested to clear all the pending revision cases by 31st December, 2016. PAOs may be instructed to revise the remaining pending cases and send the revision authorities to CPAO for further authorization. It is also requested that in case some pending revisions are not covered under this OM, a certificate may be sent to CPAO in this regard so that these cases may be removed from the pendency list.
